

Flexible staffing
made easy

Amplio Recruiting has a proven track record of helping companies hire dependable employees from the refugee workforce

Hundreds

of our refugee workforce placed in full-time positions

Dozens

of satisfied clients hiring our refugee workforce

Increase

in staff retention rates after clients hire our refugee workforce

We also know that you are asking for a more tech-enabled and flexible staffing model in addition to our temp-to-perm model

We can provide you with a flexible staffing solution, powered by HireHand, a leading technology platform

The automated matching platform connects businesses and workers when they need each other most.

Founded by former Rhodes scholar and McKinsey exec and built by Microsoft engineers

Mobile Worker App — (iOS and Android)

The app allows workers to set their availability and preferred skills; view, accept or reject jobs; leave feedback on jobs; view upcoming & completed jobs; chat directly with Admin managers; and view a summary of their payouts.

Client Website

Web interface made for clients and on-site managers to submit job requests, see summary of existing jobs, make payments, and provide quantitative and qualitative feedback on worker performance.

Admin Manager

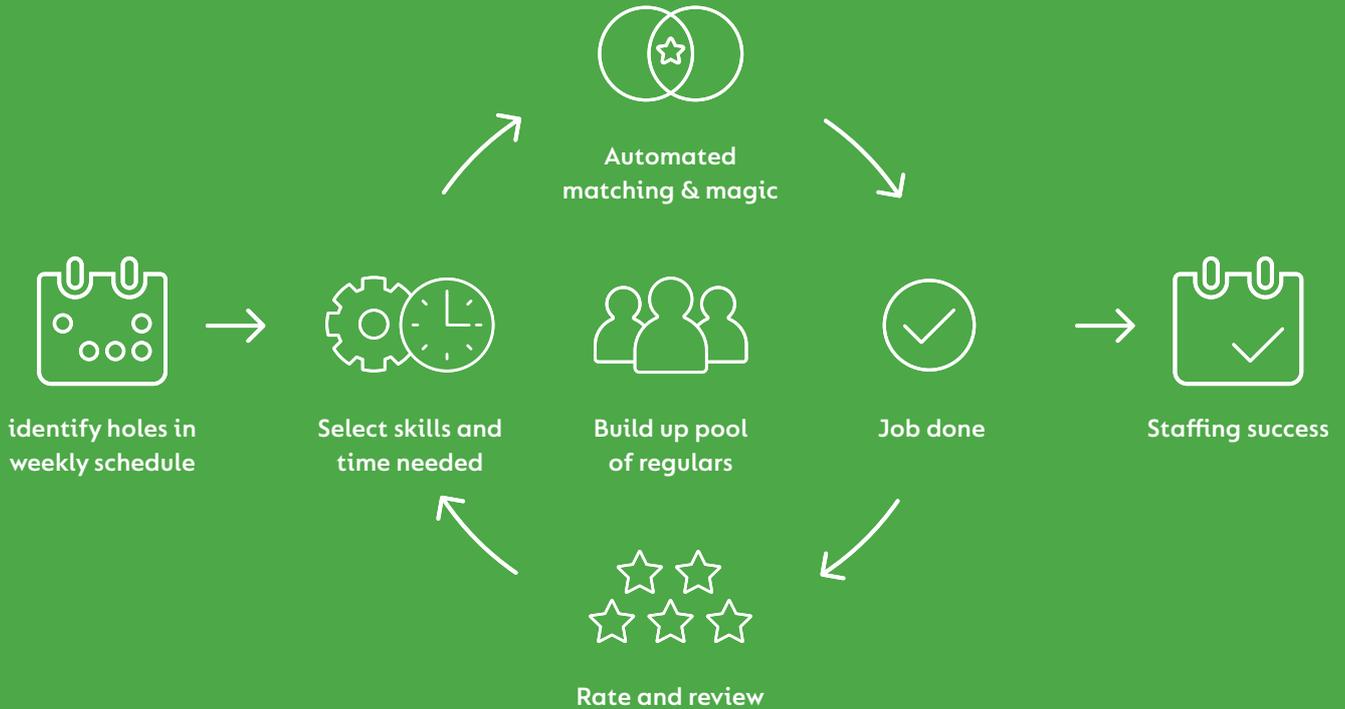

A web-based administrator interface giving access and oversight across the whole platform. Create and update worker and client profiles, monitor daily operations and view dashboards summarising current business performance.

The platform has a track-record of success

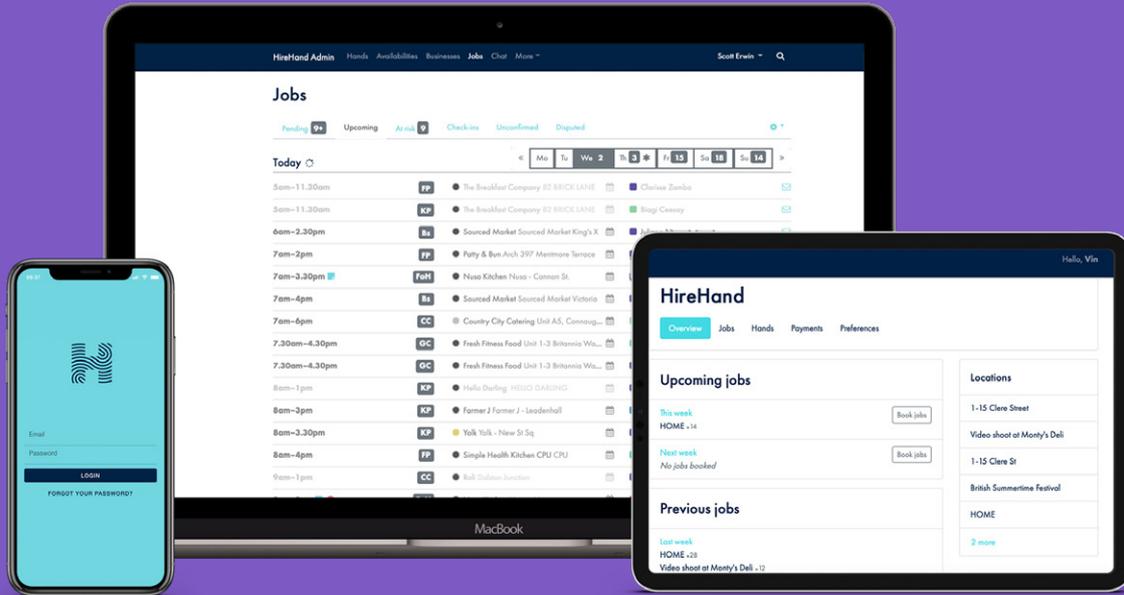

How it works

What it looks like

You save on costs, time, and staff turnover - at the touch of a button

Save time

No time wasted on unnecessary trial shifts and more time spent on growing your business

Reduce costs

Save 15% of staffing spend by eliminating unnecessary expenses and right-sizing schedule

Keep staff longer

Invest more in core team members and reduce their churn by 50%

What we are doing?

We are working with Hop, a quick-service restaurant chain, to reduce their labor to sales ratio by 2% across their multiple sites by providing staff at peak periods.

What our clients say

“

HireHand provide quick and accurate analysis around how we should staff efficiently given our sales patterns – saving huge amounts of my time and effort. And the fact they actually provide the staff for short shifts I cannot sort internally is what really helps deliver savings.
